About me

I'm Jeannine MUKASHEMA

A Rwandan citizen, student in University of Rwanda, College of Science and technology in School of ICT am currently working hard day and night to get a degree in Information Technology(IT) so,I can proceed with my masters as well as my P.h.d in the next years.I tend to be driven in my approach to life and work. Throughout College, I was active in three clubs.I speak 4 languages which is so far good for any international company as am good at communicating, working hard is one of my passion. Am interested in web development, web design and law. I love trying new things, creating new methods and introducing new ideas. Ever since i was little i have tried to practice honesty. I have always enjoyed meeting new people and it comes naturally to me to maintain a lot relationships. Am always looking for an opportunity to do better and achieve greatness.
